STEVE WALSH MEMORIAL GOLF OUTING

OUR WHY

The Steve Walsh Memorial Golf Outing was created by Sarah and Ryan Walsh to bring people together in support of those battling melanoma and to honor the memory of their father, Steve Walsh.

Held in May—Melanoma Awareness Month, this tournament serves as a powerful reminder of the importance of prevention, education, and community support. Join us in making an impact, one swing at a time.

PROCEEDS

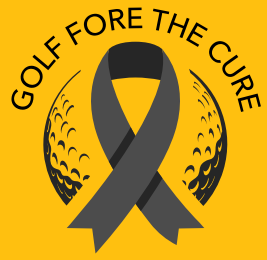

Proceeds from the Steve Walsh Memorial Golf Outing will directly assist a local family battling cancer, helping to ease the financial burden of treatment, medications, and recovery expenses. Your support provides more than just financial relief—it offers hope, strength, and a reminder that they are not alone in this fight.

ABOUT STEVE

Our Dad was so full of life. Always making the best of times. Which sometimes meant it came with a little bit of crazy. He would do anything he could do to be outside. Whether it was being on his boat, riding his motorcycle, or having a love/hate relationship with his clubs on the golf course.

What made him the happiest was being surrounded by good people, like his friends and family that he loved and cherished more than anything in this world.
